Plemmons Student Union
Learning Outcomes Development Survey
Student Staff

We consider you employment in the Plemmons Student Union to be a learning opportunity—and feel your work will provide numerous opportunities to develop your competence in the skills listed below. Using a 1—5 scale, honestly rate yourself on the skills listed below according to the following scale:

(1) Low Level of Competence (2) Fair (3) Average (4) Above Average (5) High Level of Competence

At the end of your work term (April), we will ask that you re-assess your skill levels to determine what progress, if any, you have made in each skill area.

Name_____

Class _____

Work Position(s) _____

_____

Please check the column below that reflects the extent to which your PSU employment contributed to your improvement for each skill area.
